

# ASSEMBLE FAVOR BAGS!

What birthday celebration is complete without a favor bag? We include a favor bag in each of our Birthday in a Bags! Because we celebrate kids age 1-18, we like to make sure they receive a bag of goodies that's age appropriate.

Below are ideas for fun and festive bags for our kids and teens-feel free to get creative! **Please keep favor bags gender neutral.**

## KID FAVOR BAGS

For our kids, the bags include 4-5 small toys. Items we've found that work well include: squishy balls/animals, "go fish" card game, sunglasses, stress balls, rubber ducks cars, and small containers of play-doh. **No candy please.**

## TEEN FAVOR BAGS

For our teens, the bags include 4-5 age appropriate items that teens will enjoy. Items we've found that work well include: chapstick, mints, gum, pencils/pens, deck of cards, and toothbrush/toothpaste. **No candy please.**

Please wrap the goodies in a clear bag and close with a twist tie or ribbon. Thank you for helping us make fun birthday memories for the kids we celebrate!
