

THE BIRTHDAY PARTY PROJECT

VOLUNTEER GROUPS HOW TO GET INVOLVED

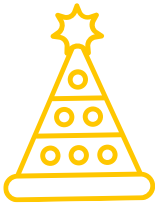

VOLUNTEER AT A MONTHLY BIRTHDAY PARTY

We host monthly birthday celebrations at each agency that we partner with. We celebrate the birthday kids for that month, and invite everyone at the agency to join us for the party! Each party is themed and kids will enjoy crafts, games, and other fun activities.

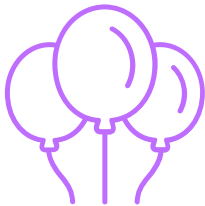

Most of our agencies will allow kid and teen volunteers as long as they are accompanied by a parent. Parents will need to complete a background check.

To see all of the party dates and sign-up, visit our online [Volunteer Hub](#).

VOLUNTEER AT PARTY HEADQUARTERS

All of the birthday magic that goes on behind the scenes happens at Party Headquarters! Our "birthday enthusiasts" help us bring JOY to our kids by helping with a variety of tasks including picking out and wrapping gifts for our birthday kids, helping inventory toys, assembling favor or birthday bags, and more! Look for the "Party Headquarters" section on our Volunteer Hub for dates and to sign-up!

DONATE GIFTS AND WRAPPING SUPPLIES

Since we celebrate birthdays year round, we're always in need of items that help us celebrate our kids and teens! Donations of the following items are always appreciated.

- Gift Cards- \$25-\$40 gift cards to Walmart, Target, or Amazon especially for our teens
- Gifts- [Shop our Amazon Wish List](#) for the latest requests from our birthday kids
- Tissue paper and gift bags- we always need large packs of tissue paper and larger gift bags (coated holds up better than paper) to wrap up our kids' gifts in
