ASSEMBLING FAVOR BAGS

What birthday celebration is complete without a favor bag? Because The Birthday Party Project celebrates kids age 1-18, we want to ensure all bags of goodies are age appropriate and gender neutral.

The Birthday Party Project shares anywhere from 750-1000 party favor bags on a monthly basis with children at birthday parties across the nation. Please review the suggested party favor bag content lists below to help us ensure each kid receives a favor bag they will enjoy.

KID FAVOR BAGS - 12 AND UNDER

Suggested items: mini stuffed animal, small Play-Doh or slime, squishy ball, pop fidget, mini skateboard or car, card games, slinkys, bubbles, sunglasses, etc.

TEEN FAVOR BAGS - 13+

*** PLEASE DO NOT INCLUDE CANDY OR GUM IN FAVOR BAGS ***

Please use clear bags and secure with a twist tie or ribbon. If you have extra items you wish to donate, please place those in a separate bag. Please include the donation form (next page) in your donation delivery.
